EXPERIENCE

HWY1

Madison, WI

Counter Server

May 2025 - August 2025

- Provided excellent customer service in a high-volume, fast-paced environment, assembling customized burritos and bowls accurately and efficiently on a production line.
- Operated a Point of Sale (POS) system to process customer payments, handle cash and credit transactions, and upsell promotional items.
- Maintained strict adherence to food safety and sanitation standards, ensuring the quality and freshness of all ingredients on the service line with daily temperature check logs.

Miko Poké

Madison, WI

Counter Server and Prep Cook

January 2024 - May 2025

- Provided friendly and efficient service to over 100 customers daily, ensuring prompt service and satisfaction.
- Prepare 10+ fresh ingredients and assemble over 200 bowls a shift with less than a 1% error rate in orders.
- Contributed to increasing store ratings from 4.0 to 4.5 stars (Google) through consistent service quality.

Crestwood Coding Club

Madison, WI

Program Leader

January 2025 - May 2025

- Developed and executed a 12-week, project-based curriculum introducing 25 elementary students to foundational computer science principles using MIT's Scratch platform.
- Fostered an engaging and collaborative learning environment, successfully guiding 100% of students through the full development process to create and present their own interactive games..
- Drove a 30% increase in club enrollment by designing and implementing an outreach strategy that included parent communications and student-led project showcases for the school community.

Handshake

Remote

Community Leader & Content Creator

January 2025 - May 2025

- Achieved 30,000+ engagements by creating high-impact content including blog posts and video tutorials, showcasing my unique career journey.
- Curate and publish engaging video content tailored to niche university students, focusing on career development and student life to enhance platform engagement.
- Amplify diverse voices by spotlighting student perspectives and stories, enriching the Handshake community.

HopeLink

Kirkland, WA

Food Bank Volunteer

June 2021 - August 2022

- Collaborated within a volunteer team to sort, inspect, and categorize incoming donations, processing over 1,000 pounds of food weekly to support community needs.
- Managed inventory by stocking shelves, rotating products to ensure freshness, and maintaining an organized warehouse environment compliant with food safety standards.
- Directly assisted in the distribution process, assembling food packages for dozens of families daily and providing a welcoming and dignified experience for all clients.

Hwang's Tae Kwon Do

Redmond, WA

Instructor

May 2014 - August 2022

- Designed and led advanced competition classes for high-level athletes, providing specialized coaching in sparring strategy, conditioning, and poomsae (forms) to prepare for regional and national tournaments.
- Co-led the school's demonstration team, choreographing intricate routines, coordinating rigorous practice schedules, and managing logistics for performances at community events.
- Instructed daily classes for diverse groups of up to 30 students (ages 4 to adult), adapting teaching methods to foster discipline, confidence, and skill progression from beginner to advanced black belt.
